

WE ARE AHEAD IN MODERN DRUG STORE PROGRESS

THIS STORE NOT ONLY KEEPS UP WITH THE MODERN DEVELOPMENTS AND CHANGES IN PHARMACY BUT IS USUALLY WAITING WHEN YOU ARE READY.

You have learned to depend on us.

You have learned to expect better service here than any other store in Hayti.

You expect to call for and get things here that could not be found in the ordinary drug store.

You expect to get prescriptions filled here that ordinarily would have to be sent to the city.

You expect to get any information you want—Telephone service, stamps, etc., at this store.

YOU ARE SELDOM DISAPPOINTED IN WHAT YOU EXPECT. THE BIGNESS AND CONTINUED GROWTH OF THIS STORE INDICATES THAT WE ARE AT LEAST MODERATELY SUCCESSFUL IN SUPPLYING YOUR WANTS AND PLEASING YOU.
